To whom this may concern:

I am an employee of Entertainment Partners, and I am writing to appeal the closure of the Glenoaks Station in Burbank, California.

My company has used this post office for many years for its convenient location as well as the knowledgeable and friendly staff. It is a vital part of our community. We do not prefer going to the main post office near the airport due to the crowds in the post office and the traffic around the area.

Thank you for your time in considering my appeal.

Sincerely,

Linda Ly
